It must be observed, that if the above return is to be taken as representing the proportional amount of relief given to paupers chargeable to the "Union at Large," as compared with those chargeable to Electoral Divisions, it is quite fallacious, the vast majority of union-at-large paupers who received indoor relief being "nightly lodgers." The following table exhibits the number of that class who are included in the foregoing return:—

Year ending 29 Sept.	1857	235
" "	1858	135
" "	1859	146

" "	1861	252
